

ANNUAL REPORT
2 0 2 4

SAG1 or Sustaining Achievable Goals as One, is a guiding principle that embodies the values of teamwork, accountability and unity, and self-improvement at China Bank Savings. Launched during the year of the Dragon 2024, SAG1 also invokes the principles of Dragon Boat racing, emphasizing a unified approach to achieving victory. By instilling SAG1, CBS empowers employees to row together toward shared targets, equipped with the right tools and knowledge, united in a common purpose.

- o Teamwork: There are no individual targets, only shared targets, only CBS targets. With this mindset all CBS employees come together so that all CBS goals are attained. Just as every member of a dragon boat team synchronizes their strokes to propel the boat forward, every member of CBS aligns their efforts toward shared targets.
- o Accountability & Unity: Team members hold themselves and their peers accountable for their actions, contributions and results, thereby fostering a culture of trust, transparency, and integrity. At the same time, all team members must ensure that they row with a single-minded and harmonious rhythm, in order to achieve maximum speed and efficiency.
- o Self-improvement: SAG1 is a play on the word SAGWAN or paddle, a key tool for all Dragon Boat teams. If each team member is not equipped with the right SAGWAN or tool, there can be no progress. All team members should equip themselves with the necessary tools to ensure they can row in harmony with the rest of the team.

ABOUT THE COVER

ABOUT THE REPORT

The CBS Annual Financial and Sustainability Report highlights the material financial and non-financial activities of China Bank Savings for the period January 1 to December 31, 2024.

The report has been prepared in line with the standards and/or guidelines provided by the Securities and Exchange Commission and the Bangko Sentral ng Pilipinas.

The CBS Board of Directors is ultimately responsible for the Bank’s sustainability while Management is responsible for the preparation and fair presentation of the sustainability report for the year ended December 31, 2024, in accordance with Philippine sustainability regulations.

The Board of Directors reviews and approves the sustainability-related statements and submits the same to the stockholders.

Throughout the report you will find SAG1 highlights  featuring the keys to the Bank’s success in 2024.

CBS President James Christian T. Dee, having been part of the Philippine national rowing team himself, was honored to host Philippine Olympian rower Joanie Delgado during the Bank’s 16th Anniversary celebration in September. Delgado delivered an inspirational keynote message, following her laudable performance in the 2024 Summer Olympics in Paris. The Philippine Rowing Association gifted the sculling oars pictured to the Bank. The Oars (Sagwans) to the sides were purchased by the Bank from the Nagtulong Fisherfolk Association in Subic, Zambales where CBS conducted free Financial Wellness seminars.

Delgado is also a proud owner of a CBS Savings Account through which CBS employees have been invited to make donations toward her journey to qualify for the 2028 Summer Olympics in L.A. Delgado is the first female rower from the Philippines to qualify for the Olympics. Her story of commitment to the Philippine National Rowing Team, the high level of accountability she holds herself to, and her rugged determination toward self-improvement against her world class opponents made her an ideal spokesperson for the SAG1 Mantra.

OUR VISION

To be the leading savings bank preferred by the markets we serve.

OUR MISSION

As the leading savings bank, we deliver the best in banking, thus:

We provide wealth-building and practical products and services that fulfill the dreams and uplift the markets we serve. We value our employees by nurturing, developing and rewarding them, as they are vital to our success.

We maintain the highest ethical standards through good corporate governance; deliver maximum and sustainable returns for our shareholders; and serve our communities to help promote better lives.

CBS CHINA BANK SAVINGS CORPORATE PROFILE

China Bank Savings ("CBS" or the "Bank") is the retail lending arm of China Banking Corporation ("Chinabank" or the "Parent Bank") and one of the largest thrift banks in the Philippines today. CBS is a member of the SM Group or SM Investments Corporation, one of the Philippines' largest conglomerates.

In 2007, Chinabank acquired Manila Bank, which was renamed China Bank Savings in September 2008. Subsequent mergers with Unity Bank, a Pampanga-based rural bank, and Planters Development Bank, the country's largest private development bank at the time of its acquisition, bolstered the position of CBS as a leading thrift bank in the industry. With 170 branches, 250 ATMs, and 107 branch-lite units and APD lending centers nationwide as of April 2025, CBS has a strong presence across the Philippine archipelago. Its repertoire of retail banking, auto, housing, teachers', and enterprise finance products and services reflect the Bank's dedication to the unbanked, the broader consumer market, and Small and Medium Enterprises. CBS is committed to promoting financial inclusivity and uplifting the quality of service for consumers and entrepreneurs alike, in line with its 'Easy Banking for You' promise.

'Easy Banking for You' is more than just the Bank's tagline, it is a vow to offer fast, efficient, and friendly service to customers. The CBS team promises to walk the extra mile, to make the extra effort, to go beyond the competition in making banking easy. Beyond its physical footprint nationwide, CBS also offers its services online via mobile applications and digital channels. The Bank uses AI empowered technology to stay in touch with customers 24 hours a day, 7 days a week, and it employs multi-channel communications to ensure the Bank is always just a click or call away. Every front facing CBS Banker also undergoes robust employee training and development programs to ensure each part of the Bank's nationwide network is fast and efficient. Every CBS product is carefully crafted, designed, and vetted by specialists as well as the Bank's board of directors, to ensure they are innovative and competitive.

The Bank's customer acquisition strategy is rooted in building the CBS brand in Customer Focus, and the Pursuit of Excellence, which are enshrined in the Bank's core values. By ensuring every customer is served in the best possible way, CBS aims to convert all clients into brand advocates. By replicating that customer centricity and excellence across the CBS network nationwide and online, CBS is able grow its client base substantially. In 2024, the Bank achieved a milestone in growing its client portfolio to over 1 million individuals and corporations.

CBS focuses on the 'emerging mass-market' sector of the consumer banking market, allowing Chinabank to focus on larger corporate entities and high-net worth individuals, and the group to cover all market segments in the Philippines.

For more information, visit the Bank's website at www.cbs.com.ph, or the Bank's various social media pages on Facebook, YouTube, Instagram, and LinkedIn. All the Bank's online sites and pages offer customers opportunities to connect with CBS Bankers, and to experience or learn about the CBS brand of banking as well as the promise of 'Easy Banking for You.'

RICARDO R. CHUA
Chairman of the Board

MESSAGE FROM THE CHAIRMAN OF THE BOARD

2024 proved to be another year of substantial successes for China Bank Savings. Our stakeholders will certainly appreciate the vast distance the Bank has already covered in our short 16-year history.

We delivered record profitability numbers, posting a full-year net income of ₱2.17 billion, which is a stellar 19 percent year-on-year growth. Further, our Total Loan Portfolio and Total Deposits both surged by 21 percent, alongside the aggressive and bold expansion in both the physical and digital reach of China Bank Savings. This has become the norm under the leadership of our President, Mr. James Christian T. Dee. His term has been a clear win for all CBS stakeholders.

I am proud to report that your Bank now provides services to over one million customers, having once more grown our client base by 20 percent, year-on-year. That is a solid base for continued growth momentum across all our business activities.

We have grown our network to 170 full-service branches, 73 branch-lite units, 34 APD lending centers, and 250 ATMs nationwide as of April 2025. We continue to expand aggressively to deliver financial services to the unbanked, and we are fully committed to providing both physical and digital touch points to those markets.

All our business groups have continued to help us row forward, from our consumer loans group which marked a 17 percent portfolio increase, to our APD lending team who posted a top-of-the-industry YoY growth of 29 percent. Lending remains the main business of CBS, and we will continue to thrive as long as the lending units remain vibrant and strong.

The APD lending group will be applying for the renewal of its accreditation with the Department of Education for the Automatic Payroll Deduction System in 2025. That is a significant objective for the Bank in the new year, and I have every confidence the Bank will make the cut. CBS has consistently won awards for excellent service delivered to DepEd faculty and employees nationwide, and this will lead to a continued partnership with the Government which will greatly benefit public school teachers as well as our CBS stakeholders.

Our capabilities in the digital space are greatly improved. The 2024 launch of our AI empowered chatbot 'Casey' marks the Bank's first official foray into artificial intelligence technology. Casey's main goal is to ensure 24/7 communications with all CBS clients via the CBS website and CBS Facebook page. Aside from answering simple queries, 'Casey' serves as a

catch basin for leads generated by social media advertising campaigns. Overall, 'Casey' will allow CBS to capitalize on social media and the internet in a new and more efficient manner.

We have taken further steps to go beyond compliance in the area of sustainability by engaging third party experts. CBS is making an exciting, trailblazing bid to offer sustainability consultation services to our corporate clients. We expect these efforts to bear fruit soon, and establish China Bank Savings as THE leader in sustainability in retail banking.

The 16th anniversary of CBS brought about renewed focus on improving our CBS Bankers, the lifeblood of the Bank. As you may know, I have been with CBS from the beginning, and every year the Bank and the Bank's workforce never fails to deliver something new and exciting. The vigor of our young bankers energizes me as well.

I especially appreciate the efforts to support our CBS Bankers who have taken on the daunting task of additional training and education, whether it be within the opportunities offered by the Human Resource Department, or through external opportunities. We now have lawyers, real estate agents, and sustainability officers who are working to ensure CBS is up to date in best practices both here and abroad.

In 2024 we again closed the year as the second largest thrift bank in the Philippines, having ascended to that level in 2023. We are now quite close to taking the next step. Our efforts to improve our human resources, to expand our physical network, and to enhance our digital capabilities, will lead us to the summit of retail banking. I am confident that CBS shall achieve this in the very near future.

Headwinds, however, remain.

While inflation eased toward the end of 2024, new challenges are incoming in 2025. The country's dependence on imported food and fuel could result in inflationary pressure as fluctuations affect the foreign exchange market. The same currency pressures can also impact capital markets and could very well influence monetary policy decisions by the Bangko Sentral ng Pilipinas.

As always, I remain confident that our Bank, supported by the ever-improving CBS workforce, the expertise of our senior officers, the wisdom and experience of our board of directors, and the steady loyalty and support of our stakeholders, will weather the storm.

“

CBS has never been as close as we are now to realizing our corporate vision of being the leading savings bank preferred by the markets we serve.

JAMES CHRISTIAN T. DEE
President

”

THE PRESIDENT'S REPORT

China Bank Savings is now the top thrift bank in the Philippines, in terms of deposits. Based on BSP disclosures, we clinched the top spot in deposits last year, helping to solidify our position as the second largest thrift bank in the Philippines in terms of assets, a position we've held on to now for 2 years running. We plan to do better. CBS has never been as close as we are now to realizing our corporate vision of 'being the leading savings bank preferred by the markets we serve.' We are doing all of this with our newfound mantra, 'SAG1' or Sustaining Achievable Goals as 1.

First, let me share some numbers. Total assets rose to ₱189.12 billion, a 20% year-on-year growth. The total loan portfolio increased by 21% to ₱135.46 billion on consistent growth in APD and consumer loans. The NPL ratio was kept low at 2.87%, which is well below the thrift banking industry average of 6.65%. Total deposits grew by 21% to ₱166.79 billion, helping to bolster asset growth during the year. CASA ended 2024 at ₱49.7B. CBS hit its target of servicing 1 million customers,

growing the customer base by 20% year on-year to 1,025,000. All these contributed to another record bottom line of ₱2.17 billion in net income, 19% higher than 2023.

Our APD lending team beat out competition with an industry topping 29% year-on-year growth, closing the year with a ₱67.35 billion outstanding balance and a customer base of close to 250,000 teaching and non-teaching personnel of the national government.

Our consumer lending business expanded 17% to ₱51.86 billion year-on-year and will continue to be a key component of the loan portfolio as the retail housing and auto loans segments are expected to deliver more volume in 2025. These segments thrive on the deepening relationship of CBS with partner real estate developers and vehicle distributors, and the Bank has consistently won recognition for its excellence in service as a partner to these players.

SME lending remains in consolidation as it pivots to smaller ticket business loans. Smallbiz loans however still grew 23% year-on-year, contributing to the expanded ₱15.11 billion portfolio of our SME Lending Division. SME is still a key part of the CBS thrust, albeit focused on essential industries.

Next, let's discuss 2025. We are committed to delivering the same robust performance this year. However, we must note the outlook for the year presents some challenges. Uncertainty remains over the monetary policy of the Bangko Sentral ng Pilipinas as it works to navigate internal and external risks. External risks are admittedly elevated due to tensions over global trade, and this has been reflected in recent volatility in both equity and bond markets. Meanwhile inflation remains a factor because of those same trade issues, with the Philippines remaining a net importer. But we are encouraged by the BSP's recent policy actions and statements. The BSP reduced the benchmark rate by 25 basis points in April, with BSP Governor Eli Remolona Jr. telling media the 2 to 4 percent inflation target may be revised next year as the midpoint of the range was 'a bit high.' All in all, the BSP has cut interest rates by a total of 100 bps since starting its easing cycle in 2024. We have full confidence this strategy will result in a strong and stable banking system which will support vibrant economic growth. We are also confident CBS will be able to build and rise with the rest of our nation despite these challenges.

For the coming year we shall utilize the aforementioned SAG1 mantra to deliver results while navigating such risks as one unified Bank. Simply put, SAG1 espouses 3 principles: Teamwork; Accountability & Unity; and Self-improvement. These principles will propel our Bank toward the end goal of achieving the best possible outcomes for CBS. Everyone works together, everyone pulls toward shared goals. Using this mindset, CBS aims to execute a well-rounded plan for sustainable growth this 2025.

Physical expansion will remain a key component of the plan. At the end of 2024 CBS had a nationwide network of 277 locations including 170 branches and 107 branch-lites and APD lending centers. In the first quarter of 2025 we've already opened a new and improved branch in Mandaue, Cebu, and we have several branch openings slated for the rest of the year in new locations in the Visayas and Mindanao. The ATM expansion of CBS is also aggressively ramping up with 250 ATMs already online as of April 2025, and many more expected to be up and running within the first half of the year. This physical expansion will create a more accessible and visible presence for all CBS clients nationwide.

Digital enhancements are also a priority. The Bank has installed a new AI powered chatbot named 'Casey,' accessible via the social media platform Facebook and the CBS website. Casey is designed to address simple queries from the public and gather leads for farming out to the various business units. This technology-enabled solution has already grown cross-selling and lead generation exponentially and has enabled CBS to market our top-of-the-line banking products and services to new markets at a fraction of the cost. Meanwhile our APD Lending Group is being equipped with digital tools for more efficient client onboarding and loan booking, while our Digital Business Banking Group together with CBC Properties and Computer Center, Inc. (PCCI) have multiple initiatives ongoing to digitally enhance backroom operations. Streamlining processes using technology will make doing business with CBS faster and more convenient for all CBS clients.

Our Bank has also launched multiple initiatives across various CBS units and departments to add more value to our products and services.

The Retail Banking Group, DBBG and Cash Management Services together with Bancassurance are collaborating to deliver higher non-interest income and fee-based income. RBG has now made insurance sales for Manulife China Bank Life insurance part of the group's core deliverables. Other such cross-selling and upselling initiatives are also expected to continue, providing all CBS clients access to the full suite of financial products and services offered by CBS and other members of the CBC group.

RBG together with CMS and the Marketing Services Department have also collaborated to revive the 'SME Proposition' product into the new 'CBS Advantage' product. This is a unique offering designed to boost CASA deposits by providing immediate rewards to CASA depositors, in partnership with SM Retail, as opposed to the traditional rewards for spending framework employed by credit cards and loyalty programs.

Human Resources together with Customer Experience Management, Compliance, Legal, Digital Banking, Credit, and Operations have collaborated on a nationwide training initiative aimed at updating all CBS Bankers regarding the best practices in customer service, new banking regulations, and other such matters. Employee self-improvement through CBS sponsored training will be key to the Bank's success.

SME, RBG, and Marketing Services have collaborated on the new and improved SME Kapihan initiative aimed at promoting entrepreneurial networking and cross-marketing efforts face-to-face and online. These face-to-face gatherings and online cross marketing productions aim to assist SMEs in finding new markets, tapping new suppliers, and exploring new synergies within the CBS network on top of allowing CBS to market and cross sell new products and services. SME, CLG, APD, and Sustainability are collaborating on a new sustainability risk assessment tool developed in partnership with Deloitte Philippines. This will be the first of its kind in Philippine Banking, allowing SMEs and other CBS partners to tap the sustainability expertise of Deloitte for their own environmental and social risk assessments, which may soon be regulatory requirements in the Philippines.

Finally, the Boards of CBS and CBC have come together to complete the capital build-up plan approved in 2023. This infusion of ₱2 billion started with the first ₱1 billion tranche in 2023. The second tranche of ₱1 billion is projected to be infused this 2025. This will enhance the Bank's ability to provide more banking services to more clients and support the overall growth of CBS.

We firmly believe this well-rounded plan of physical expansion, digital channel enhancements, unique value adding initiatives, and capital build-up will allow CBS to build and rise above the competition and cement our place as 'the leading savings bank preferred by the markets we serve.' We expect to execute the plan as a unified bank utilizing the SAG1 principles.

On behalf of the Board of Directors of China Bank Savings, thank you.

OPERATIONAL HIGHLIGHTS

2024 was a year of record growth for CBS. The full year net income breached the ₱2 billion mark for the first time at ₱2.17 billion. This notable 19% year-on-year (YoY) growth also rendered a return on equity of 12.96%, mainly attributed to the significant increase in the Bank's core income through the aggressive expansion of its loan portfolio, while keeping its Non-Performing Loans (NPL) at controlled levels.

This stellar performance has likewise cemented the Bank's foothold as being among the top thrift banks in the industry. Among its peer banks, CBS has posted the highest YoY growth in Assets, Loans, Deposits, and Capital. These clearly demonstrate the Bank's strong resolve to excel each year.

Total Assets grew to ₱189.12 billion, as net loans surged during the year, bannered by the double-digit growth in APD loan and Consumer loan portfolios. The customer base also grew by 20%, breaching the 1 million mark at 1,025,000, composed of 312,000 borrowers and 713,000 depositors.

Total Loan Portfolio (TLP) likewise increased to ₱135.46 billion, driven primarily by consistent APD loan bookings and higher consumer loans. Despite aggressive loan growth, NPL ratio is maintained low at 2.87%, way below thrift banking industry average of 6.65%.

Total Deposits increased by 21% during the year, totaling ₱166.8 billion. The CASA component of our funding base grew by ₱2.6 billion and was posted at ₱49.7 billion.

Over the past five years, the Bank posted growth after growth which ultimately led to a podium finish in 2023 as it ranked 2nd in Assets, Deposits, and Loans among thrift banks. In 2024, CBS not only maintained its ranking in Assets and Loans, but has also clinched the top spot in terms of Deposits, according to BSP disclosures.

The Bank's TLP grew with a Compounded Annual Growth Rate (CAGR) of 19% from 2020 to 2024, fueled by the sixfold surge in APD Loans and supported by the 66% expansion of Consumer Loans over the same period. Through expansion efforts and the excellent service of our dedicated teams, the customer base reported a CAGR of 16% from 576,000 in 2020 to 1,025,000 in 2024, while the deposit levels rose to ₱166.8 billion from the ₱85.5 billion in 2020, or a CAGR of 18%. All these translated into the Bank's bottom line as net earnings multiplied by about 3.5 times over the aforementioned period.

With these numerous achievements under the Bank's young 16-year history, CBS intends to face the next coming years with passionate vigor, eager to reach newer heights. We will continue to grow the business and sustain the culture of achieving the goals we set out.

Supporting our business expansion is a strong nationwide distribution network composed of 170 branches, 3 business centers, 34 APD lending centers (LCs), and 73 APD branch-lite units (BLUs). The Bank's workforce is composed of 3,095 professionals.

The Bank's ongoing success will not be made possible without the strong commitment of our CBS Bankers. As such, in 2024 CBS launched the Sustaining Achievable Goals as One or SAG1 initiative, aimed at empowering the CBS workforce with continuous training and self-improvement opportunities. Trainings were conducted informing and empowering CBS Bankers on regulatory matters, internal developments, marketing campaigns, product updates, and personal development strategies to name a few. Developing talent internally, and hiring the best talent externally, remains a key strategy.

Capital remained strong and above the regulatory requirement. CAR and CET 1 as of December 2024 were posted at 12.03% and 11.08%, respectively. Existing capital plus the planned additional infusion from the Parent Bank and the accumulated earnings of the Bank will support the business expansion in the coming years.

CBS aims to further strengthen its profitability and sustain market share in core business lines, intensify product innovation and cross-selling by way of optimizing resources from its distribution network, and reach untapped efficiencies as it continues to enable seamless and safer banking experiences through its digital banking platform. Over the next years, CBS remains committed to become a top-of-mind financial services provider for both the SME and retail markets. The Bank will sustain the existing segmented strategy to maximize gains, diversify revenues, and meet customer demands with its distinct brand of quality service.

Cognizant of a challenging environment operating under elevated interest rates and inflationary headwinds, CBS will continue to support the growth of SME customers in target industries. On the retail front, CBS will further broaden access to APD, housing, auto, and personal loans across multiple touchpoints—branches, sales offices, kiosks, and digital platforms—with the goal of increasing the share of consumer loans to total credit portfolio. Maintaining a sound asset quality will remain a top priority for management as well, even as the Bank continues to balance the returns and risks from a bigger loan portfolio.

For asset quality, the Bank will continue to pursue a more proactive and aggressive reduction strategy for NPAs through its active remediation and NPL Recovery Program, ROPA Reduction through sale and disposal, and enhanced Customer Engagement Initiatives. Human resource and distribution network maximization are also expected to greatly enhance the Bank's capabilities in the disposal of such assets.

Growth in the core business will also result in an increase in non-interest income on the back of higher fee-based income from loans and deposits. Fee-based income is projected to improve as segment cross-selling and upselling initiatives continue. Additional income would also come from Digital Banking Business and CMS products/services, sales of securities, and Bancassurance.

CBS will continue to leverage on its extensive distribution network, robust digital and human capabilities, and strong balance sheet to pursue growth opportunities, increase operating efficiencies, and ultimately, meet its stakeholders' expectations and deliver sustainable outcomes.

To achieve the net income target over the next twelve months, the Bank's efforts and action plan shall cover the following priority areas:

- grow the high-yielding loan portfolio that will generate sustainable earnings stream;
- build-up current accounts/savings accounts (CASA) deposits on the back of CBS' wide market coverage and strong client acquisition and service culture build;
- reduce non-performing assets (NPAs) composed of real and other properties acquired (ROPA) and non-performing loans (NPLs) as the Bank prudently manages its balance sheet and utilizes its capital efficiently;
- increase non-interest income mainly coming from fee-based loans and deposit generation, Digital Banking Business, cash management services (CMS) products/services, Bancassurance, and NPA recovery efforts that will provide recovery income and gains from ROPA disposal; and

- improve operational efficiency that involves work-force planning and training, driving innovation across products and channels, and pursuing cost-efficient automation and process improvements.

The top priority is to continuously expand the higher-yielding loan products. The APD (teachers') loans and consumer loan products, and smaller business loans will continue to be the major component of CBS' loan portfolio for 2025. This strategy will enable the Bank to realize a more stable loan portfolio and generate sustainable earnings stream.

RETAIL BANKING

Deposits increased by 21% to ₱166.8 billion, driven by the 29% build-up of time deposits to ₱117.1 billion which mainly supported the consistently growing demand for and volume of both the APD and consumer loans. Low-cost funds accounted for 30% of total deposits.

Despite strong competition with bigger banks, our CASA deposits reached ₱49.7 billion and posted a ₱2.6 billion increase during the year. The number of CASA accounts reached about 691,000, recording an increase of about 21%. Our main sources of CASA include retail clients (individuals and businesses), clients of our cash management services, and loan borrowers. We continue to introduce and promote CMS products such as payroll facilities to enhance deposit growth and retention.

CBS has an average CASA per branch of about ₱290 million which is at par with the top performing Thrift Banks. It is worth mentioning that more than 50% of the branches have more than 50% CASA ratio.

To sustain CASA growth, CBS will intensify new-to-bank CASA acquisition with focus on retail and business accounts and implement enhanced CASA expansion promos. We will also aggressively sell our cash management services (CMS) including payroll facility which will increase deposit stickiness amid tight competition. For the year 2025, we will introduce the new products such as Self-pay kiosks, E-Gov and QRph to boost our volume.

Our distribution network remains at the heart of our strategies to acquire customers, generate low-cost funds, and deepen customer relationships. To further improve our market coverage. We are expanding our branch presence in urbanized areas outside Metro Manila and recruiting business managers with extensive client networks in these communities. We believe that client proximity and a deeper understanding of our depositors' banking requirements are still the key growth factors in the banking business.

The branch network will continue to utilize a sales strategy that allows for tailor-fit and tactical outreach initiatives within each locality. The branches' focus revolves around building personal and professional ties in the community and fostering business partnerships and relationships with the Bank's clients. CBS will continue building strong customer relationships by delivering the exceptional service and solutions—both digital and in-person—as the clients expect and deserve. To support branch-based CASA build up efforts, the Bank will aggressively use social media to target the prospects in the areas where it operates. Marketing initiatives will be launched to boost consumer confidence in the CBS brand, encourage foot traffic to brick-and-mortar branches, and drum up interest in deposit and consumer offers like retail housing, auto, and APD loans.

CONSUMER LOANS

Auto Loans

With more than 230 accredited dealers nationwide, Auto Loans surged with a 22% YoY increase in 2024, from ₱16.07 billion in 2023 to ₱19.60 billion. This, as the Bank beefed up operations in the VisMin area, driving the increase in borrowers by 17% to 32,169 during the year. NPL Ratio is also maintained below thrift bank industry average of 3.6% at 2.5%.

Vehicle sales is expected to grow by more than 10% in 2025. With this, CBS plans to maximize the growth potential by further expanding dealer coverage in North Luzon. To ensure that potential clients are locked in, Credit turnaround time will be further improved.

Real Estate Loans

Retail Housing Loans reported stellar performance in 2024 via a sustained growth of 15%, capping the year with ₱31.09 billion in OB vs the previous year's ₱27.11 billion. The number of borrowers increased by 12% to 18,650. The growth in the portfolio is partly attributed to the expansion of our accredited developers more than 70 during the year. Furthermore, the NPL ratio of our housing loans also improved to 1.1% vs 2023's 1.6% and significantly below the thrift banking industry average of 2.9%.

To keep this momentum, CBS plans to maintain the strong rapport with its partner prime developers, while accrediting additional pocket developers. The Bank will also continue its initiatives toward automating and streamlining the loan origination process to be more competitive, provide better client service and achieve a faster turn-around time to an expanding customer base. This will include the continuous improvement of the existing loans origination workflow by significantly cutting manual processes from application to approval. These improvements on credit approval will boost the Bank's ability to further compete with the big players and meet the growing business volume and greater customer demand for speed and convenience.

APD Loans expanded by ₱15.17 billion in 2024, or a 29% YoY growth. Powered by 34 LCs and 73 BLUs, CBS closed the year with an APD OB of ₱67.35 billion, helping close to 250,000 DepEd personnel nationwide with their financing needs. NPL ratio in 2024, despite the substantial increase in OB, is maintained low at 2.3%. This is significantly better than industry average of about 7%.

CBS will continue its support of the public school system through the APD program in partnership with the Department of Education. CBS was granted approval to offer calamity loans to public school faculty affected by extreme weather events in 2024, and it will continue to do so. Furthermore, CBS resumed the delivery of financial wellness training for public school faculty in 2024, championing the importance of personal financial planning and responsible borrowing to help teachers be better prepared for such events in the future.

To maintain the upward trajectory of the Bank's fastest growing unit, CBS plans to fortify its APD workforce through training, incentives and retention programs. Sales team shall also be provided with the necessary tools of trade such as additional internet-connected tablets and motorcycle units, augmenting the capabilities of its sales force with digital tools for more efficient client onboarding and loan booking. The Bank would further build up its APD loan portfolio by widening the geographical footprint of sales offices.

The Bank's strategy is to bridge the market gap by expanding its distribution channels and market reach through its multi-channel customer touchpoints. In addition to the lending centers and utilization of the Bank's brick-and-mortar branch network, the Bank will establish new BLUs in strategic rural areas and in areas with a high concentration of APD market. These physical offices will be complemented by digital touchpoints for faster client onboarding and loan booking. The launching of the APD ATM savings account product in 2023 served as the Bank's unique distinction from its competitors' offerings.

SME and Corporate Business Loans expanded to ₱15.11 billion. Smallbiz loans posted the biggest YoY growth at 23%. Due to focused and concerted efforts in monitoring corporate loans performance, NPL decreased by 21%.

With the expected increase in loan demand for healthcare, infrastructure, real estate, tourism, and renewable energy, CBS intends to capitalize on its network and reach to bolster its business loans portfolio. Partnerships with industrial park developers, condotels, and micro business will be keenly explored alongside augmented efforts to strengthen countryside visibility.

DIGITAL BANKING

Digital Banking was seen continuing its growth in 2024. Fee income from channels climbed by 15% YoY at ₱96.2 million, with mobile banking leading the charge in user growth. 71,270 new users were onboarded to CBS GO, the bank's mobile banking platform, during the year. This is a 66% rise in enrolled accounts vs previous year numbers.

Central to the Bank's strategy is Digital Banking Transformation, wherein more of its services will cater to digital mediums to provide a vastly improved customer experience. Together with China Bank, CBS will develop a "true" omni-channel platform that allows clients to access financial services faster and easier online or through mobile. In line with this, the Bank's digital presence, primarily through its website, will be mobile-optimized and sales-centric. Digital marketing for clients will also be developed, including criteria-based marketing campaigns and automatic lead tracking and nurturing.

The Bank will continue to deepen market penetration through active leads generation, widening the branch network coverage, solidifying relationships through top-notch customer experience, and offering a broader menu of thrift banking products and services. Critical marketing and operational support shall be provided to achieve the goals. The Bank will boost its social media, online presence, and marketing campaigns, ramp up publicity, and other promotional activities.

CBS will also continue to strengthen its digital banking solutions in 2025, aiming for more than 20% increase in income by growing the client bases of our ATM, Mobile Banking, Retail Internet Banking, and Corporate Internet Banking. As the banking industry is in a digital arms race, CBS will continue to closely work with its Parent Bank to launch key initiatives to create a VISA-branded Debit Card that will be introduced to its clients. The Bank will also capitalize on existing alternative and electronic banking channels and launch programs to drive up enrollment and utilization rates for ATMs, Cash Acceptance Machines, and the internet and mobile banking platforms to facilitate efficient and secure banking transactions. In response to the growing demand of digital accessibility, CBS intends to continue enhancing its mobile banking application to Digital 3.0 and implementation of Fraud Management System which will provide the clients with an on-the-go and secure way of managing accounts or online transactions and has marked CBS' gradual transformation from being a traditional banking partner into one of the leading financial service providers and a notch above its competitors.

With the growth in the loan portfolio, improvement in asset quality, increase in CASA, higher fee-based income, and effective cost management, through and with the rest of the aforementioned strategies, net income will significantly increase over the next 5 years, bringing more value to our stakeholders and more especially, to the public we serve. CBS is poised, ready, and committed to continuously elevate our performance to ultimately achieve our goal of providing you the banking service and experience you deserve and becoming 'the leading savings bank preferred by the markets we serve.'

The 2024 launch of the AI empowered chatbot, 'Casey', marks the Bank's first official foray into artificial intelligence technology. Casey's main goal is to ensure 24/7 communications with all CBS clients via the CBS website and CBS Facebook page. Aside from answering simple queries, 'Casey' serves as a catch basin for leads generated by social media advertising campaigns. Overall, 'Casey' will allow CBS to capitalize on social media and the internet in a new and more efficient manner. The Bank's strengthened community involvement and visibility through tie-ups and partnerships (i.e., the DepEd) will develop and result to better business relationships, well-established CBS presence and further create more lending opportunities.

Competition

With the Philippine banking system's (PBS) continued strong performance in 2024, anchored on sustained expansion in assets, loans, investments, deposits, and earnings, the outlook for the PBS remains optimistic. Based on a two-year horizon (2024-2025), banks project double-digit growth in assets, loans, deposits and net income. According to the Bangko Sentral ng Pilipinas (BSP), said growth momentum was accompanied by robust capital and liquidity buffers that exceed both domestic and international prudential limits.

Based on central bank data, the system's total assets grew to ₱27.4 trillion in December 2024, or a 9% year-on-year increase. This shows that the growth of the system is already inching closer to the pre-pandemic level of 11% compounded annual growth rate (2015-2019) and comparable to the 9.1% growth in 2023. The aforementioned growth is close to the 2023 banking sector's outlook wherein banks expect to see their assets, deposits, loans, and earnings grow between 10 to 20% within 2 years. Thrift banks hold 4% of the system's total assets at P1.10 trillion. This is a year-on-year growth of 6.2% from the previous year's ₱1.04 trillion.

The lending and investment activities of the banks continue to be mainly funded by deposits, which expanded by 7% to P20.4 trillion. This growth, which is identical to the previous year's, is testament to the sustained confidence on the banks by the depositors. The deposit base, which is predominantly peso-denominated (83.1%, or P16.9 trillion) and mainly sourced from resident depositors (99.1%, or P20.2 trillion) shields the banking system from significant funding

withdrawals arising from global financial market fluctuations and reduces banks' exchange rate risk and vulnerability. Thrift banks hold 4.1% of the system's total deposits at ₱826.2 billion. This is a decent YoY growth of 4.7% from the previous year's ₱789.3 billion.

The gross total loan portfolio increased by 10.6% to ₱15.3 trillion. This double-digit growth surpassed the 9.8% increase of the previous year and continues to catch up to the 13.8% pre-pandemic growth rate. On the other hand, the thrift banking sector posted a YoY growth rate of 8.4%. Total loan portfolio rose to ₱790.8 billion from last year's ₱729.6 billion. Alongside improved economic indicators and sustained growth in credit activity, loan quality remained satisfactory, supported by ample loan-loss reserves. As of December 31, 2024, the non-performing loan (NPL) ratio of the thrift bank industry declined to 6.65%, while the NPL coverage ratio was brought down to 59.54%.

Profitability continues to be mainly driven by the interest income from lending to private corporations and households and by investments in securities. The profit of the banks operating in the Philippines rose by 9.8% to ₱391.3 billion in 2024 vs the previous year's ₱356.5 billion. Profitability of the Thrift Banking sector performed a little better than the system. The sector posted ₱20.3 billion net profits, 9.9% higher the previous year's ₱18.5 billion.

As of December 2024, the banking system's solo and consolidated capital adequacy ratios were 16.2% and 12.3% respectively. These are higher than the regulatory thresholds of the BSP by 10% and 8%, respectively. Thrift banks, on the other hand, report better capital adequacy ratios at 17.8% solo and 15.8% consolidated.

Based on the latest published statement of condition (SOC), submitted with the BSP which differs from Philippine Financial Reporting Standards (PFRS) in some respects, as of December 31, 2024, CBS was the second largest thrift bank in terms of resources, loans and ranks first in deposits.

CBS believes that local players would maintain a solid foothold in the domestic market despite the tougher competition.

Customer/Clients

There is no single customer that accounts for 20% or more of the Bank's deposits and loans.

Transaction With and/or Dependence on Related Parties

In the ordinary course of business, the Bank has loans and other transactions with its Parent Bank and affiliates, and with certain directors, officers, stockholders and their related interest (DOSRI). These loans and other transactions are in accordance with the Bank's policy and are regularly reviewed by the Related Party Transaction Committee to ensure that they are conducted at arm's length basis, at fair market prices

and upon terms not less favorable to Bank than those offered to others and in compliance with all regulatory requirements. Related party transactions are presented to the stockholders during the annual stockholders' meeting for ratification.

Transactions with related parties and with certain DOSRI are discussed in the Audited Financial Statements.

Trademarks, Licenses, Franchises, etc.

CBS is operating under a thrift banking license obtained in 1999. Over the years, CBS has registered its corporate brand, slogan and product trademarks with the Intellectual Property Office (IPO) of the Philippines – Bureau of Trademarks, as follows:

- The Bank is operating under a thrift banking license per MB Resolution No. 512 dated April 21, 1999.
- The Bank is the registered owner of the logo of CBS and the trademarks: Easi-Save, Easi-Checking, Easi-Earn, Easi-Funds, Easi-Drivin', Easi-Livin', Easi-Financin' and CBS Easi-Padala.
- In 2015, the Bank obtained a bancassurance license from BSP.
- The Bank launched its new tagline, "Easy Banking For You" in 2017 and submitted with the IPO the trademark application for "Easy Banking For You" and Easi-APDS Loan.
- The Bank also filed applications for trade names 'Plantersbank' and 'Planters Development Bank'.

Need for Any Government Approval of Principal Products or Services

The Bank's business activities are regulated by the government agencies such as BSP, Philippine Deposit Insurance Corporation (PDIC) and SEC. Existing products and services are within the scope allowed under the Bank's regulatory licenses.

Effects of Existing or Probable Governmental Regulations

The Bank strictly complied with the BSP requirements in terms of reserves, liquidity position, capital adequacy, limits on loan exposure, cap on foreign exchange holdings, provision for losses, anti- money laundering provisions and the reportorial requirements.

Amount spent on research and development activities

There are no major expenses on research and development activities. Expenses incurred related to these activities are included in the regular business expense of the Bank.

Total Number of Employees

The Bank highly values its human resources. It expects each employee to do his share in achieving the Bank's set goals; in return, the Bank has in place policies and programs for the protection and growth of employees.

Below is the breakdown of the manpower complement in 2024 as well as the projected headcount for 2025:

	2024 Actual			2025 Projected		
	Officers	Staff	Total	Officers	Staff	Total
Marketing	635	399	1,034	658	450	1,107
Operations	545	994	1,539	585	1,057	1,642
Support	249	223	472	264	214	478
Technical	34	16	50	33	15	48
Grand Total	1,463	1,632	3,095	1,540	1,736	3,275

CBS ended the year 2024 with a total manpower of 3,095 employees. The number increased by 15% from the previous year (2023 manpower: 2,685). Of the total headcount, 47% are officers and 53% are staff. The expansion of APD lending business and branch network largely contributed to the increase.

As part of the Bank's institutional-building program, the Bank has an Employee Recognition Program to motivate, recognize, and reward the movers and performers among its junior officers and staff, especially those who provide valuable back-office support to the marketing frontline.

For the year ended December 31, 2023 and December 31, 2022

Full-year 2023 net income of P1.8 billion translated to an ROE of 12.84% and a ROA of 1.30%. Cost-to-income ratio improved to 61.63% in 2023 from 57.22% in 2022 as the Bank continued to invest heavily in the needed improvements to provide the best service to customers.

Key Variables and Other Qualitative and Quantitative Factors

a. Liquidity

The Bank manages its liquidity position to ensure that it has more than adequate funds to meet its obligations at any given time. The Bank monitors its daily liquidity and reserve position by determining inflows and outflows, short-term and long-term obligations, holdings and repayments. Short-term liquidity management identifies obligations and repayments in the next 12-months, aids in the determination of the securities trading strategy, and influences the Bank's pricing mechanism. On the other hand, long-term liquidity management covers maturing obligations and repayments of loans and investments beyond the next 12-months. The level of liquid assets remained strong, exhibiting healthy growth in both placements with BSP/other banks and investments.

c. Material Off-Balance Sheet Transactions, Arrangements and Obligations

RISK MANAGEMENT FRAMEWORK

The Bank is exposed to all business risks that confront all banks in general, such as credit, market, interest rate, liquidity, legal, regulatory and operational risk. The Bank's risk management structure and process that serve as mechanism to identify, assess and manage these risks are further discussed in the Audited Financial Statements.

Disclosure on Capital Structure and Capital Adequacy

Regulatory Qualifying Capital

Under existing BSP regulations, the determination of the Bank's compliance with regulatory requirements and ratios is based on the amount of the Bank's unimpaired capital (regulatory capital) as reported to the BSP. This is determined on the basis of regulatory accounting policies which differ from PFRS in some respects.

Capital Fundamentals

The Bank can only achieve sustainable growth by maintaining strong capital fundamentals. Major business initiatives with the appropriate capital planning were undertaken in coordination with the Parent Bank which also took into consideration constraints and changes in the regulatory environment. This was necessary to ensure that the Bank's commercial objectives are equally aligned with its ability to maintain an adequate capital position. The Board of Directors and management recognize that a balance should be achieved with respect to the Bank's earnings outlook vis-à-vis capital fundamentals that can take advantage of growth opportunities while increasing the Bank's ability to absorb shocks.

Operational, Legal, and Other Risks

For operational risk, the exposure of the Bank is profiled using a number of methodologies which also include the analysis of reported losses arising from operations, compliance risk, environment and social risk, and legal risk as part of the internal capital adequacy assessment process (ICAAP) to validate if the computed capital requirement using the Basic Indicator Approach (BIA) is enough to cover the assessed exposure under plausible scenario and worst-case scenario. As of December 31, 2024, the capital allocation for operational risk amounted to ₱1.3 billion which is higher compared to the reported and actual losses in the past 3 years. For the year 2024, the plausible scenario derived from actual reported loss amounted to ₱142.03 million. Meanwhile, stressed or worst-case scenario derived from reported risk events amounted to ₱148.12 million.

Tools such as the risks and controls self-assessment (RCSA), the analysis of historical loss reports and the monitoring of key risk indicators (KRI) and key performance indicators (KPI) further allow risk management to identify high risk areas, loss drivers, and trends which can be acted upon by management to prevent material failures in its processes, people, systems, and resiliency measures against external events. These results are periodically reported to management and cover all aspects of the business from core operating capabilities of the units, all products and services, outstanding legal cases, and even its sales and marketing practices.

For legal risk, the Bank assessed the status of pending legal cases with the objective of identifying those subjects to final resolution in the next twelve months and with high probability for the Bank to lose the legal proceedings.

Operational Risk-Weighted Assets

The Bank's Operational Risk Weighted Assets under the BIA is ₱13.0 billion and ₱11.2 billion as of December 31, 2024 and 2023, respectively.

Internal measurement of interest rate risk in the banking book

The Bank's interest rate risk (IRR) originates from its holdings of interest rate sensitive assets and interest rate sensitive liabilities. Internally, the Earnings-at-Risk (EaR) method is used to determine the effects of adverse interest rate change on the Bank's interest earnings. The Bank's interest sensitive assets and liabilities are assumed affected by interest rate movements on its repricing date for floating rates and on its maturity for fixed rates.

Demand and savings deposits, on the other hand, are generally not interest rate sensitive. Provided in the table below are the approximate reduction in annualized interest income of a 100bps adverse change across the PhP and USD yield curves. The loan portfolio growth that was mainly funded by short term time deposits are with yields ranging 7 to 12% as compared to funding cost of around 4.2%.

CORPORATE GOVERNANCE

The corporate governance structure of the Bank is supported by the policies and mechanisms adopted to foster a culture of good governance. These are enshrined in the Bank's Corporate Governance Manual, Code of Ethics, Compliance Manual and various internal circulars. The Bank has also adopted leading practices in corporate governance for the continuous promotion and protection of its stakeholders.

The Bank is continuously updating its Board-approved Manual on Corporate Governance. The Manual embodies the principles of good corporate governance and best practices. To comply with the new regulations issued by the BSP, the Manual was recently revised and approved by the Board. The amendment solidifies the Bank's commitment to formalize and institutionalize the principles of good corporate governance in the entire organization and strengthened the oversight function of the Board of Directors.

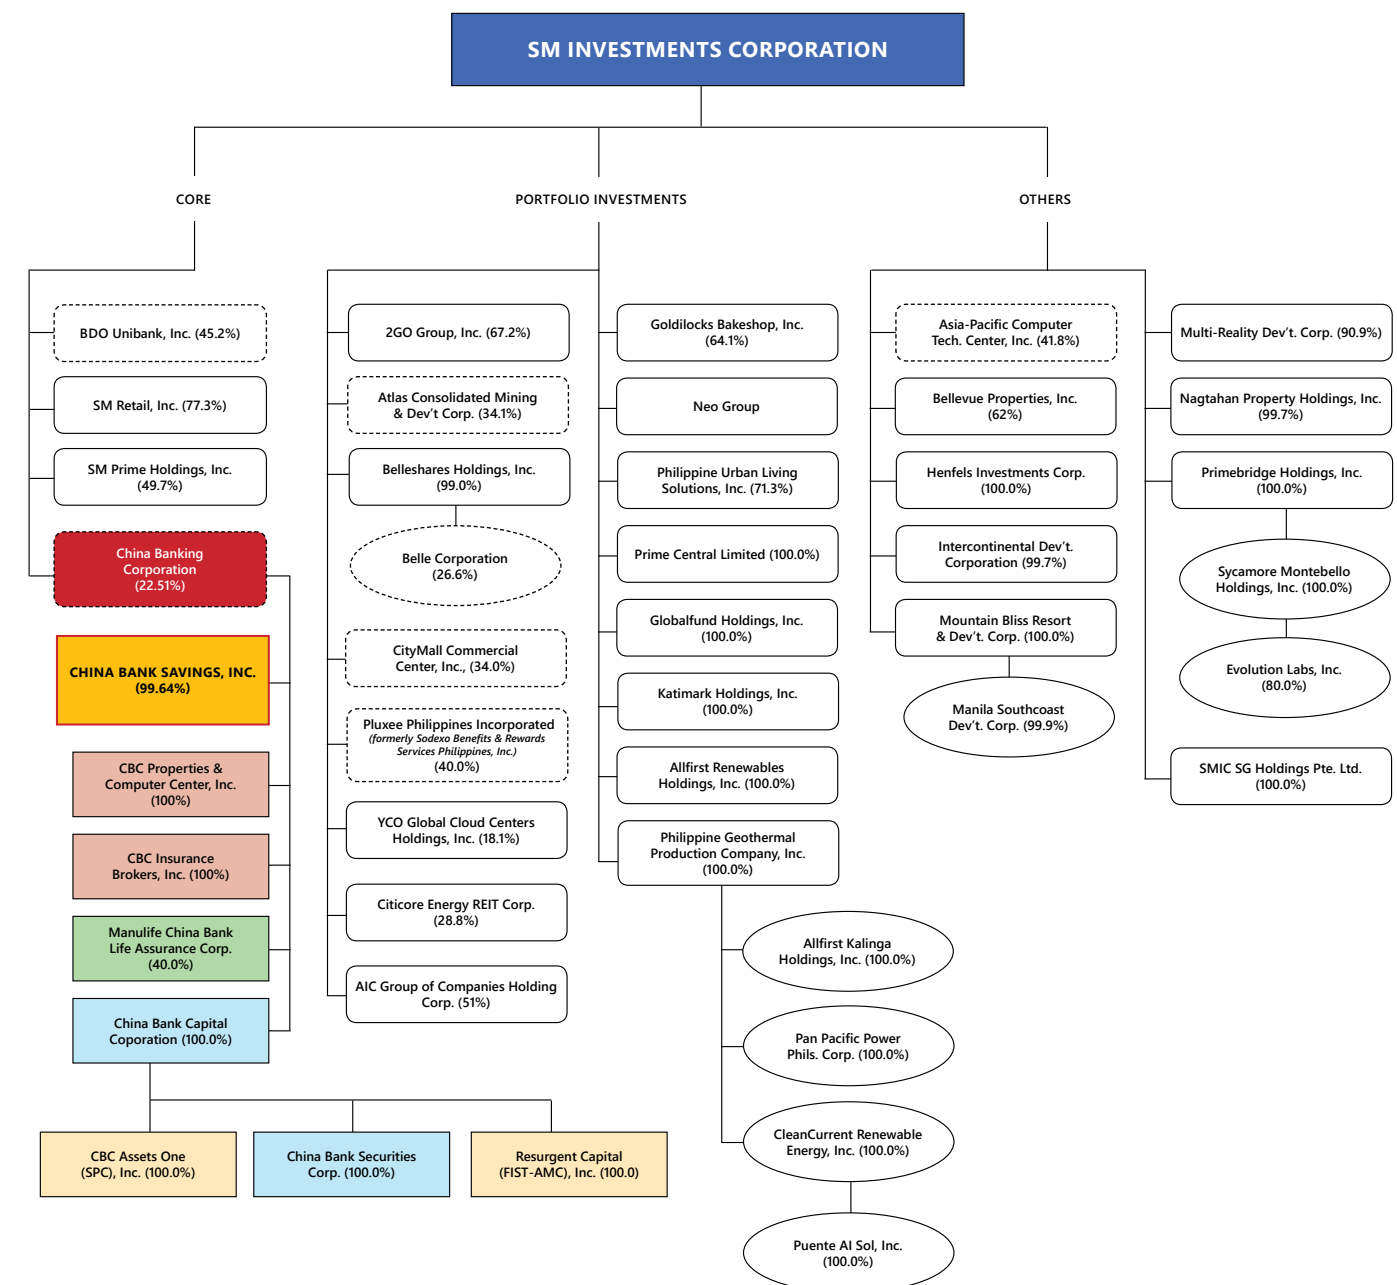

The Board of Directors, management, employees and shareholders believe that good corporate governance is a necessary component of what constitutes sound strategic business management. Thus, it has, within the bounds of its resources, implemented all planned action to create a heightened and continuing awareness on good corporate governance within the organization.

To ensure good governance, there is an evaluation system for the Board, individual Directors and various Board Committees such as Executive Committee, Risk Oversight Committee, Audit Committee and Corporate Governance Committee.

The Annual Corporate Governance Report (ACGR) was submitted by the Bank to the Securities and Exchange Commission for 2023 and uploaded on the Bank's website under Corporate Governance. Therefore, it is no longer necessary to submit a certification of compliance.

ORGANIZATIONAL STRUCTURE

The Board of Directors being at the core of the Bank's corporate governance structure continues to foster a culture of a proactive Board that is accountable and responsible for the affairs and performance of the Bank supported by dynamic officers and staff in achieving its goal of governance of going beyond best practice compliance.

Board of Directors

The Bank has eleven (11) directors out of eleven (11) seats as stated in its By-Laws. In accordance with the Bank's Manual on Corporate Governance aligned with laws, rules and regulations, the members of the Board are selected from a broad pool of qualified candidates after considering, among other things, their integrity, competence, independence, leadership, ability to exercise sound judgment, and experience at policy-making levels involving issues affecting business, government, as well as other areas relevant to the Bank's operations.

Acknowledging the significant and crucial roles of Independent Directors, the Bank has four (4) independent directors in the Board to promote independent oversight of management by the Board of Directors. The Bank's Independent Directors are independent of management and major/substantial shareholders, and free from any business or other relationship which could, or could reasonably be perceived to, materially interfere with exercise of independent judgment in carrying out their responsibilities as directors of the Bank.

The members of the Board are given a copy of their general and specific duties and responsibilities as prescribed by the Manual of Regulations for Banks (MORB); the directors acknowledge that they have received and certify that they read and fully understood the same. Copies of the acknowledgement receipt and certification are submitted to the BSP within the prescribed period. Moreover, the Directors individually submit a Sworn Certification that they possess all the qualifications as enumerated in the MORB. These certifications are submitted to the BSP after their election. Additional certifications are executed by Independent Directors to comply with Securities Regulation Code and BSP rules which are then submitted to the SEC.

Board Meetings and Supply of Information

The meetings of the Board are scheduled in advance in accordance with the Bank's By-Laws every third Thursday of each month. Special meetings are held when necessary.

The Directors are expected to prepare for, attend and participate in these meetings, and to act judiciously, in good faith and in the interest of the Bank and its shareholders, thus, they are provided Board materials related to the agenda days in advance of meetings by the Corporate Secretary.

A director may participate via telephone-conferencing when exigencies prevent him from attending a Board meeting in person.

The Board is provided with the information and resources needed to effectively discharge its fiduciary duty. The Board is informed on an ongoing basis of the Bank's performance, major business issues, new developments, and the impact of recent developments in the economic and regulatory environment.

Members of Senior Management are invited to attend Board meetings to provide the Board with detailed explanations and clarifications on proposals tabled to enable the Board to make an informed decision. The meetings of the Board and its committees are recorded in minutes, and all resolutions are documented.

For the period January 2024 to December 2024, the Board of Directors had 15 Board meetings and 73 committee meetings. The incumbent directors attended/participated in more than 50% of all the meetings, as follows:

Selection Process for the Board and Senior Management

The Nomination Committee and/or Corporate Governance Committee shall assist the Board of Directors in fulfilling its corporate governance responsibilities. It shall review and evaluate the qualifications of all persons nominated on the board as well as those nominated for other positions requiring appointment by the Board of Directors.

The Corporate Governance Committee shall be responsible for ensuring the Board's effectiveness and due observance of corporate governance principles and guidelines. It shall oversee the periodic performance evaluation of the Board and its committees and executive management; and shall also conduct an annual self-evaluation of its performance. The Committee Chairman shall certify that it conducts a "proper and fit test" on the Bank's Directors and Senior Management.

Powers/Responsibilities and Duties of Directors

The duties of care and loyalty are the two key elements of the fiduciary duty of the Board. The duty of care requires the members of the Board to act on a fully informed basis in good faith, with due diligence and care, while the duty of loyalty is where the Board members should act in the best interest of the Bank and all its stakeholder, such as the depositors, creditors, employees and regulators.

- Powers of the Board of Directors. The corporate powers of the Bank shall be exercised, its business conducted, and all its property shall be controlled and held by the Board of Directors. The powers of the Board of Directors as conferred by law are original and cannot be revoked by the stockholders. The Directors hold their office charged with the duty to exercise sound and objective judgment for the best interest of the Bank.
- General responsibility of the Board of Directors. The position of a bank director is a position of trust. A director assumes certain responsibilities to different constituencies or stakeholders, i.e., the Bank itself, its stockholders, its depositors and other creditors, its management and employees, the

regulators, deposit insurer and the public at large. These constituencies or stakeholders have the right to expect that the institution is being run in a prudent and sound manner. The Board of Directors is primarily responsible for approving and overseeing the implementation of the Bank's strategic objectives, risk strategy, corporate governance and corporate values. Further, the Board of Directors is also responsible for monitoring and overseeing the performance of Senior Management as the latter manages the day-to-day affairs of the institution.

c. Specific duties and responsibilities of the Board of Directors

- To define the Bank's corporate culture and values.
- To approve Bank's objectives and strategies and oversee management's implementation thereof.
- To appoint/select key members of Senior Management and heads of control functions and for the approval of a sound remuneration and other incentive policies for personnel.
- To approve and oversee implementation of the Bank's corporate governance framework.
- To approve the Bank's risk governance framework and oversee management's implementation thereof.
- To approve and oversee the implementation of policies governing major areas of banking operations.
- To consistently conduct the affairs of the institution with a high degree of integrity.
- To constitute committees to increase efficiency and allow deeper focus in specific areas.

Duties and Responsibilities of the Chairperson of the Board of Directors

The duties and responsibilities of the Chairperson include, among others, the following:

- a. To provide leadership in the Board of Directors. The Chairperson of the Board shall ensure the effective functioning of the board, including maintaining a relationship of trust with board members.
- b. To ensure that the board takes an informed decision. The Chairperson of the Board shall ensure a sound decision making process and he should encourage and promote critical discussion and ensure that dissenting views can be expressed and discussed within the decision-making process. In relation to this, the chairperson shall guarantee that the Board receives accurate, timely, relevant, insightful, concise, and clear information to enable it to make sound decisions.

Specific Duties and Responsibilities of a Director

- a. To remain fit and proper for the position for the duration of his term. A director is expected to remain fit and proper for the position for the duration of his term. He should possess unquestionable credibility to make decisions objectively and resist undue influence. He shall treat Board Directorship as a profession and shall have a clear understanding of his duties and responsibilities as well as his role in promoting good governance. Hence, he shall maintain his professional integrity and continuously seek to enhance his skills, knowledge and understanding of the activities that the Bank is engaged in or intends to pursue as well as the developments in the banking industry including regulatory changes through continuing education or training.
- b. To conduct fair business transactions with the Bank and to ensure that personal interest does not bias Board decisions. Directors should avoid situations that would give rise to a conflict of interest. If transactions with the institutions cannot be avoided, it should be done in the regular course of business and upon terms not less favorable to the institution than those offered to others. The basic principle to be observed is that a director should not use his position to make a profit or to acquire benefit or advantage for himself and/or his related interests. He should avoid situations that would compromise his impartiality.
- c. To act honestly and in good faith, with loyalty and in the best interest of the institution, its stockholders, regardless of the amount of their stockholdings, and other stakeholders such as its depositors, investors, borrowers, other clients and the general public. A director must always act in good faith, with the care which an ordinarily prudent man would exercise under similar circumstances. While a director should always strive to promote the interest of all stockholders, he should also give due regard to the rights and interests of other stakeholders.
- d. To devote time and attention necessary to properly discharge their duties and responsibilities. Directors should devote sufficient time to familiarize themselves with the institution's business. They must be constantly aware of the institution's condition and be knowledgeable enough to contribute meaningfully to the Board's work. They must attend and actively participate in board and committee meetings, request and review meeting materials, ask questions, and request explanations. If a person cannot give sufficient time and attention to the affairs of the institution, he should neither accept his nomination nor run for election as member of the Board.

- e. To act judiciously. Before deciding on any matter brought before the Board of Directors, every director should thoroughly evaluate the issues, ask questions and seek clarifications when necessary.
- f. To contribute significantly to the decision-making process of the Board. Directors should actively participate and exercise objective independent judgment on corporate affairs requiring the decision or approval of such Board.
- g. To exercise independent judgment. A director should view each problem/situation objectively. When a disagreement with others occurs, he should carefully evaluate the situation and state his position. He should not be afraid to take a position even though it might be unpopular. Corollary, he should support plans and ideas that he thinks will be beneficial to the institution.
- h. To have a working knowledge of the statutory and regulatory requirements affecting the institution, including the content of its articles of incorporation and by-laws, the requirements of the BSP and where applicable, the requirements of other regulatory agencies. A director should also keep himself informed of industry developments and business trends in order to safeguard the institution's competitiveness.
- i. To observe confidentiality. Directors must observe the confidentiality of non-public information acquired by reason of their position as directors.

Board and Committee Performance Evaluation

The Board conducts an annual assessment of its performance and effectiveness as a body, as well as its various committees, and the individual directors through self-assessment. The results thereof are reported to the Board through the Corporate Governance Committee. This exercise covers the assessment of the ongoing suitability of each board member taking into account his or her performance in the Board and board-level committees.

In 2024, there are no significant deviations noted and, in general, the Bank has complied with the provisions and requirements of the MORB and the Bank's Corporate Governance Manual.

Corporate Governance Manual

The Corporate Governance Manual contains the governance principles and policies that serve as a guide/reference in complying with regulations. The manual formalizes and institutionalizes the principles of good corporate governance in the Bank.

In furtherance of its responsibilities under the Manual and Corporate Governance Charter, the Corporate Governance Committee reviewed and approved the following:

- a. Revised Corporate Governance Manual;
- b. Amended Corporate Governance Charter; and
- c. Updated Board and board-level committees' Self-Assessment Questionnaires.

Compliance Risk Management System

The compliance risk management system is designed to specifically identify and mitigate risks that may erode the franchise value of the Bank such as risks of legal or regulatory sanctions, material financial loss, or loss to reputation, the Bank may suffer as a result of its failure to comply with laws, rules, related self-regulatory organization standards, and codes of conduct applicable to its activities.

It is the method by which the Bank manages the compliance process. It consists of rules, policies and procedures which provide assurance for an effective compliance culture in the Bank. The Bank's compliance system includes compliance policies and procedures which provide the framework for the Bank's compliance processes as source of reference of all stakeholders, the Board of Directors, officers and employees.

Compliance risk management is an integral part of the culture and risk governance framework of the Bank. Compliance is a responsibility and shared accountability of all personnel, officers, and the Board of Directors.

The Compliance System of the Bank was established pursuant to the regulatory mandate of the BSP and SEC. It is carried out through a Board-approved Compliance Program by the Compliance Division, which reports directly to the Corporate Governance Committee. Compliance Division oversees the implementation of the Compliance Program, and is responsible for, among others, (i) identification of all relevant laws and regulations applicable to the activities and business of the Bank, and monitoring and controlling of attendant compliance risks, (ii) creating awareness on all banking laws and regulations among Bank employees with dissemination of all regulatory issuances and regular trainings; (iii) regular compliance testing of all Bank activities and products; and (iv) liaison and dialogue with BSP and other government regulatory agencies.

Bank Compliance Framework

The Bank's Compliance Framework was established to implement a strong compliance system. The Bank employs a triple level approach for observing laws and regulations.

- 1st level - Employee participation (compliance with the relevant regulations)
- 2nd level - Compliance Division (implementation of the compliance program)
- 3rd level - Internal Audit Department (post audit)

The Compliance Division has an approved manpower count of 21 members including the CCO, Deputy Division Head, Department Heads for AML Compliance Department, Compliance Testing Department, and Regulatory and Corporate Governance Department including a total of 16 Compliance Officers. Unit Compliance Coordinators are assigned to each unit of the Bank to help the compliance office perform the monitoring and testing functions.

Compliance Program

The compliance program includes an annual plan that should ensure that the Bank's compliance system is effectively running and in place, rules and regulations are adhered to, considering the risks involved for the protection of its clients, Bank's reputation, its employees, business efforts and strategies.

Components of the Compliance Program

- Review and implementation of specific policies and procedures
- Compliance risk assessment
- Compliance testing
- Educating personnel on compliance matters
- Monitoring compliance risk exposures
- Regular reporting to the board and board-level committees

Testing and Reporting

Compliance Division conducts its regular compliance testing in accordance with the approved Compliance Testing Plan. The basis of the Compliance Testing Plan is the result of the latest risk assessment of business units. The risk profile is used as guide of Compliance Division in the prioritization of a unit/branch to be included in the annual Compliance Testing Plan.

All Bank compliance issues and concerns, including results of compliance testing and internal audit, BSP examinations results, implementation of internal control policies, and all other issues monitored by the BSP are reported to the CGCOM every other month. The Members of the CGCOM, on the other hand, provide guidance on the effectiveness of all actions taken/to be taken.

Anti-Money Laundering Prevention

The Bank adheres to the Anti-Money Laundering Act and all related and applicable rules, regulations and issuances of the BSP. The Bank commits to protect and preserve the integrity and confidentiality of its customers' accounts and shall not allow them to be used as money laundering site for the proceeds of unlawful activity.

The Bank has in place a board-approved Money Laundering and Terrorist Prevention Program (MTPP) which contains and consolidates all laws and regulations on anti-money laundering, such as, know-your-client (KYC) requirements, monitoring of accounts and transactions, training of all

officers and employees on AML laws and regulations and other relevant information. The MTPP manual is updated on an annual basis using the most recent updates on the applicable rules, regulations and issuances of the BSP.

Dissemination of laws and regulations is regularly made to all officers and employees of the Bank to equip them with necessary knowledge and information to combat money laundering activities. AML trainings are regularly given during orientation sessions of new employees and refresher courses are regularly conducted.

Conflict of Interest

Conflict between the interest of the Bank, of the employees and related parties should be avoided at all times. In cases of conflict, the interest of the Bank should prevail. Our Directors, Officers, Stockholders and related parties are not allowed to have direct or indirect financial interests that conflict or appear to conflict with their duties and responsibilities as employees of the Bank.

In this regard, the Directors and/or Officers concerned shall disclose any direct, indirect or on behalf of third parties, a financial interest in the transaction or matter affecting the Bank.

Directors and/or officers with personal interest, related or any form of connection which may potentially result to a conflict of interest in the transaction shall abstain from the discussion, deliberation, approval and management of such transaction or matter affecting the Bank.

Code of Ethics

China Bank Savings is committed to carry out its business operations in accordance with the highest standards of ethics. The Bank, as a whole, together with the members of the Board of Directors, stakeholders, and all employees are dedicated in ensuring that they abide by the acceptable rules and regulations which dictate its operations.

The Code of Ethics is founded on basic standards and ethical business and personal conduct, including honesty and candor in all activities, avoidance of activities and transactions that could result or potentially result in conflicts between personal and the Bank's interest, maintenance of the Bank's reputation, avoidance of personal gain at the expense of the institution, and conduct contrary to ethical business practices. The Code also embodies policies that will prevent fraud, or the use of the facilities of the Bank in the furtherance of any unlawful or immoral pursuit. In all activities and decisions, one must consider the ethics or propriety of every situation, full transparency and be beyond reproach.

Related Party Transactions

The Bank recognizes that transactions between and among related parties may create financial, commercial and economic benefits to individuals, institutions and to the entire group where the Bank belongs.

In this regard, as required by existing regulations for related party transaction (RPT), the Bank, its Board, management, all officers and staff ensure that RPTs are done on an arm's length basis and that the appropriate oversight and implementation of an effective control system for the management of exposures are in place.

Therefore, the Bank's Board of Directors, management, officers and staff are mandated to comply with the board-approved policies in the RPT Framework (RPT Framework or Framework) and shall not allow RPTs that may lead to abuses or may cause disadvantages to the Bank, its depositors, creditors, fiduciary clients, and other stakeholders.

The RPT Framework was approved by the Board on July 21, 2016 and revised on October 2, 2019. The Framework is supported by an implementing policy guideline which was approved by the Board on January 17, 2019. The RPT policy guidelines was revised to incorporate latest regulatory updates which was approved by the Related Party Transaction Committee on June 06, 2024 and ratified by the Board on July 18, 2024.

Overarching Policies and Procedures for Managing Related Party Transactions

The Bank's Policy on Related Party Transactions applies to all covered RPT of the Bank, regardless of the amount, and the Bank has set specific procedures and guidelines in managing the Bank's RPTs.

Related Party Transactions are transactions or dealings with related parties of the Bank, regardless of whether or not a price is charged. These include, but not limited to the following:

- On-and-off balance sheet credit exposures and claims and write-offs;
- Investment and/ or subscription for debt/ equity issuances;
- Consulting, professional, agency and other service arrangements/ contracts;
- Purchase and sales of assets, including transfer of technology an intangible items;
- Construction arrangements/ contracts;
- Lease arrangements/ contracts;
- Trading and derivative transactions;
- Borrowings, commitments, fund transfer and guarantees;
- Sale, purchase or supply of any goods or materials; and
- Establishment of joint venture entities

RPTs shall be conducted at an arm's length terms to ensure that the transaction is conducted in the regular course of business; and not undertaken on more favorable economic terms (e.g., price, commissions, interest rates, fees, tenor, collateral requirement, etc.) to such related parties covering similar transactions with non-related parties under similar circumstances.

The concept of arm's length terms is to ensure that both parties in the transaction are acting in their own self-interest and are not subject to any pressure from the other. It ensures that parties to transaction are on equal footing. It is used specifically in the contract law to make an equitable agreement which stands up to legal scrutiny, even though parties may be closely related or may have shared interest.

In this regard, to ensure that transactions are engaged into at terms that promote the best interest of the Bank and its stakeholders, an effective Price Discovery Mechanism should be implemented.

Related Party Transaction Committee

The committee is responsible for the following, among others:

1. Evaluating on an ongoing basis existing relation between and among businesses and counterparties to ensure that all related parties are continuously identified.
2. Evaluating all material RPTs
3. Ensuring that appropriate disclosure is made, and/or information is provided to regulating and supervising authorities relating to the bank's RPT exposure, and policies on conflicts of interest or potential conflicts of interest.
4. Reporting to the Board of Directors on a regular basis, the status and aggregate exposures to each related party as well as the total amount of exposures to all related parties.
5. Ensuring that transactions with Related Parties, including write-off of exposures, are subject to periodic independent review or audit process; and
6. Overseeing the implementation of the system for identifying, monitoring, measuring, controlling, and reporting RPTs, including the periodic review of RPT policies and procedures.

Materiality Threshold

The business units (BUs) shall identify if transactions are classified as material RPTs based on the following criteria:

- If the parties and relationship of parties involved in the transaction are classified as RPs, as defined in the policy; and
- If the amount of transaction is equal or higher than the materiality threshold set by the Bank.

The materiality threshold shall be retained unless the responsible units send a change request. An email shall be sent by the BU Head to Compliance Division on the change of materiality threshold stating the proposed/recommended threshold and justification for changing the same.

A. Approval Requirements of Material RPTs

All material RPTs shall be endorsed to the RPT Committee using the prescribed forms and approved by the Board of Directors.

All board-approved material RPT shall be ratified by the Stockholders (by majority vote) during the Annual Stockholders' Meeting.

B. Approval Requirements of Non-material RPTs

All non-material RPTs shall follow the existing approval requirements of the respective business unit transactions.

C. For credit transactions to DOSRI, approval by the Board of Directors shall be required.

Health and Safety: Prioritizing Employee Wellbeing

At CBS, the Bank remains steadfast in its commitment to providing a safe and healthy work environment for its employees and officers. The Corporate Safety and Health Committee (CSHC) spearheads initiatives to foster a culture of safety and well-being within the organization.

The CSHC's objectives are clear:

1. Plan, develop, and implement policies and programs on employee safety and health;
2. Monitor and look into all aspects of work pertaining to general safety and health programs of all employees following the environmental, safety, and health rules and practices; and
3. Ensure that employees are protected against injuries, illnesses, and hazards. Every employee and officer play a vital role in maintaining a safe and healthy workplace by adhering to safety protocols, reporting accidents, injuries, and unsafe conditions, and promoting a violence-free environment.

Every CBS employee and officer contributes to a safe and healthy workplace by following safety protocols, promptly reporting incidents and unsafe conditions, and fostering a respectful environment free from violence.

Responding to Evolving Health Challenges

The CSHC plays a vital role in keeping our employees informed and prepared for various health challenges:

- COVID-19: While the pandemic's peak has subsided, the CSHC remains vigilant, providing updates on emerging variants and reinforcing the importance of hygiene practices to minimize workplace transmission.
- Extreme Heat: With rising temperatures, the CSHC has issued guidance on staying hydrated, dressing appropriately, and recognizing signs of heat-related illnesses, especially for field employees working outdoors.
- Respiratory Illnesses: The CSHC monitors the prevalence of respiratory illnesses, encouraging preventative measures such as vaccination, mask-wearing, and good hygiene to protect employees.
- Emerging Health Concerns: The CSHC promptly addresses new health threats like the recent rise in whooping cough cases, providing information on symptoms, prevention, and the importance of vaccination.

Proactive Safety Measures

The CSHC takes a proactive stance on safety, addressing potential hazards and promoting preparedness:

- Natural Disasters: In response to recent volcanic activity and heavy rainfall warnings, the CSHC has issued advisories on safety precautions, emphasizing preparedness and vigilance during natural disasters.
- Workplace Safety: The CSHC continuously promotes safety awareness, encouraging employees to be mindful of potential hazards in the workplace and to report any unsafe conditions.

A Culture of Safety and Well-being

The CSHC remains dedicated to protecting the well-being of CBS employees. By fostering a culture of safety, prioritizing employee health, and adapting to evolving challenges, CBS strives to create a productive and caring work environment for its valued workforce.

Performance Assessment Program

The Bank has a Performance Management System (PMS), a vital tool for aligning individual performance with the Bank's strategic direction and operational business plans. It is an integrated process by which the organization involves its employees in improving organizational effectiveness towards the accomplishment of its mission and strategic goals.

Orientation and Education Program

The Bank has a CBS Academy that serves as the central facility for training and development of the Bank's professionals in line with the Easy Banking for You service promise of the Bank. CBS Academy boasts a full-scale mock-up CBS branch, a lecture hall and several conference rooms.

The opening of the CBS Academy boosted the efforts of the Bank's Human Resources Division in delivering a high level of professional training and banking skills to help each one of the CBS employees optimize his/ her full potential. It is imperative that such a dedicated facility is available to bring everyone under one roof to deliver greater efficiency and to meet the competency, training and developmental needs of the Bank's employees at all levels that will help them grow and contribute within the Bank's overall framework.

With the continuing and growing footprint of CBS in the banking industry, the CBS Academy plays a very central and crucial role. In today's dynamic environment, it is essential that the Bank continues to keep abreast of the latest trends and developments in the financial services world. CBS owes it to its customers, who put their trust in the Bank. Knowledge, skills and attitude assimilation is a very important aspect of ensuring the continuing competitiveness of any financial institution. The Bank looks upon its people as one of its key stakeholders, and investing in their personal development is integral to the Bank's corporate responsibility.

CBS Academy is committed to systematically improve the competency and quality of our workforce by providing a meaningful and value-added certification program – whether for personal or professional development. These certification programs include Certification on Banking Fundamentals, Certification on Revenue Generation, Certification on Branch Banking, Certification on Support and Operations, and Certification on Credit and Collections. This strength should be then be translated into results which will lead to improved employee productivity and increased revenues. In addition to expanding their knowledge base and skills, these certification programs enable its workforce to enhance their career development prospects. It is of great importance though that the Bank ensures that the Training Academy

remains current and relevant. The Bank will ensure that they are perfectly aligned to the Bank's strategy and business needs, as well as in synch with emerging regulatory requirements.

Retirement and Succession Policy

The Bank believes that excellent leadership talent positively contributes to the overall organizational performance. The Bank implements and maintains a Succession Planning and Management Program that ensures the availability of qualified officers for key positions for the entire life of the organization.

- a. Board of Directors – any vacancy, except those caused by removal by the stockholders or by expiration of term, may be filled by election or appointment by the remaining Directors, if still constituting a quorum. If there is no quorum, the vacancy must be filled by the stockholders owning and/or representing majority of the subscribed capital stock at a special meeting duly called for the purpose.
- b. Chairman of the Board – vacancy will be temporarily filled up by the Vice Chairman, until such time the Board of Directors elects a successor who will hold office for the unexpired term. In the absence or inability of both the Chairman and the Vice Chairman, the President shall preside the meeting of the Board in order not to hold up important matters requiring the action of the Board, and in which case the decision on all matters to be considered must be unanimous.
- c. Vice Chairman – it will be filled by a successor in the same manner the position of Chairman is filled. The successor will serve and hold office for the unexpired term.
- d. President/Chief Executive Officer – will be temporarily filled by the next most ranking officer, who will act as Officer-in-Charge until such time that the Board of Directors, by majority vote, elects a successor who will hold office for the unexpired term.
- e. Corporate Secretary – the Assistant Corporate Secretary, if any, or if none, the Chief Legal Counsel, will temporarily assume the position until such time the Board of Directors appoints a successor.
- f. Treasurer – will be temporarily filled by the next ranking officer, who will act as Officer-in-Charge, until such time the Board of Directors appoints a successor.
- g. Internal Auditor – will be temporarily filled by the Assistant Auditor or the next most senior ranking officer in the Internal Audit Department, who will act as Officer-in-Charge, until such time the Board of Directors appoints a successor.

- h. Operations Group Head – will be temporarily filled by the next most senior ranking officer in the Group, who will act as Officer-in-Charge, until such time the Board of Directors appoints a successor.
- i. Risk Officer - will be temporarily filled by the next most senior ranking officer in the Risk Management Division, who will act as Officer-in-Charge, until such time the Board of Directors appoints a successor.
- j. Compliance Officer - will be temporarily filled by the Assistant Compliance Officer or the next most senior ranking officer, who will act as Officer-in-Charge, until such time the Board of Directors appoints a successor.
- k. Chief Legal Counsel - will be temporarily filled by the next most senior ranking Legal Officer, who will act as Officer-in-Charge, until such time the Board of Directors appoints a successor.
- l. Other Group/Division Heads - will be temporarily filled by the next most senior ranking officer, who will act as Officer-in-Charge, until such time the Board of Directors appoints a successor.

Remuneration Policy

The Bank grants annual salary increases to its officers in accordance with its Pay for Performance policy. The increases are given in the form of merit increases which vary depending on the officers' performance rating and corporate rank for the given year. On top of the regular bonuses, CBS officers are entitled to a performance bonus based on their previous year's performance rating. On a continuing and regular basis, the Bank, through its Senior Management evaluates recommendations of various Division/Department Heads for the promotion of their subordinate officers to the following corporate rank. Those whose promotions are approved are given promotion increase in salary in addition to the corresponding improvements in their fringe benefits package.

Dividend Policy

In accordance with the Amended By-Laws of the Bank, dividends shall be declared and paid out of surplus and/or net profits of the Bank, after allocating the percentage of the net profits, as often and such time as the Board of Directors may determine and in accordance with the provisions of law and the regulations of the BSP. There were no dividends declared in 2024 and 2023.

OUR PEOPLE

THE DRIVING FORCE BEHIND CBS SUCCESS

At the heart of China Bank Savings is a powerful truth: our people make things happen. They are more than just employees – they are proactive partners, deeply engaged in our mission and committed to delivering meaningful contributions that drive the Bank forward.

Our success in the past year is a direct reflection of the strength and dedication of our people. Across all levels of the organization, our employees have demonstrated exceptional engagement, ownership, and a shared commitment to the Bank's goals. Their proactive mindset and ability to make things happen have been instrumental in translating strategy into tangible results. Every member of the team aligned his/her efforts toward shared targets.

In a highly dynamic environment, our people rose to the challenge – not only adapting, but leading with purpose and resilience. We take pride in cultivating a culture where our people are empowered to lead, innovate, and contribute

meaningfully, and every unit within CBS is an invaluable component to the overall success of the business. With a strong sense of ownership and accountability, our people take initiative, solve problems, and turn ideas into impact. Their dedication continues to be our greatest asset – driving progress, delivering value, and ensuring that the Bank remains strong, future-ready, and customer-focused. Their engagement goes beyond daily responsibilities; it's reflected in their willingness to go the extra mile, collaborate across teams, continuously seek better ways to serve our stakeholders, and delivered beyond expectations. Their contributions were pivotal in positioning the Bank for success, culminating in a podium finish that stands as a collective achievement.

Our people are not just part of our success story – they are the reason it is being written. We are CBS. We deliver. This is our daily reminder – of who we are, what we do, and the commitment we bring to every task, every challenge, every day.

CBS CHINA BANK SAVINGS CONSUMER WELFARE

The Board of Directors is ultimately responsible for ensuring that consumer protection practices are embedded in the Bank's operations. The Bank adheres to the highest standards and embraces a culture of fair and responsible dealings in the conduct of its business.

The Board and Senior Management are responsible for the Bank's protection strategy and establishing an effective oversight function over the Bank's consumer protection programs. The Board is primarily responsible for approving and overseeing the implementation of the consumer protection policies of the Bank.

The Bank subscribes to the perspective that creating a positive customer experience and performing excellent customer service means managing customer expectations and delivering what is promised, in a manner that manifests its mission that is: "We understand the needs of our customers, thus, we provide value-enhancing, customer-driven solutions through their preferred channels." One of its core values is on Customer Focus: "We build and maintain solid and lasting relationships that result in customer loyalty."

by the Customer Experience Management Department in cooperation with the entire Bank; to identify, measure, monitor, and control consumer protection risks inherent in its operations. These include both risks to the financial consumers and the Bank.

Independent of the compliance function, the Audit Division reviews the Bank's consumer protection practices, adherence to internal policies and procedures, and compliance with existing laws, rules and regulations. The Bank's internal audit of the different business units/functions includes the Consumer Protection Audit Program.

The Human Resources Division, the Customer Experience Management Department, and respective business units ensure that all relevant personnel specifically those whose roles and responsibilities have customer interface, receive specific and comprehensive training that reinforces and helps implement written policies and procedures on consumer protection. Training programs address changes in consumer protection laws, rules and regulations and policies and procedures should be provided in a timely manner.

The Bank increased its awareness and adherence to the Consumer Act of the Philippines and such other regulations promoting consumer protection. As part of its intensified drive for a positive customer experience and excellent customer service, the Service Quality and Assurance Committee (ServCom) meets on a quarterly basis not only to address complaints but to dynamically reposition the Bank to meet customer expectations.

Conformably with BSP Circular No. 1160, in relation to consumer protection, the Bank continues to track significant statistics on customer concerns.

The Sustaining Achievable Goal as one (SAG1) principles of Teamwork, Accountability & Unity, and Self-Improvement are also part of the Bank's efforts to ensure the highest Customer Service and Consumer Welfare standards for all CBS clients.

The Bank undertakes to manage customer expectations and resolve complaints within the bounds of pertinent policies and guidelines. It endeavors to institute appropriate actions to continuously improve or minimize, if not, prevent the recurrence of complaints.

China Bank Savings has a functioning Consumer Protection Risk Management System (CPRMS), administered

CBS launched our 2024 sales and service campaign, themed "CBS Sustaining Achievable Goals as One (SAG1 read as Sagwan)," symbolizing Teamwork, Accountability & Unity, and Self-Improvement.

The kickoff event, held at Wack-Wack Golf and Country Club in Mandaluyong City, marked the first national in-person gathering of CBS Bankers since 2020. The gathering drew an unprecedented 800 executives and delegates from the Makati Head Office and 264 branches and branch-lites, spanning from Cagayan and the Cordilleras in the north to Sarangani and Zamboanga in the south. The delegates collectively committed to achieving financial targets and building a customer base of at least one million by the end of 2024.

As a prelude to the ceremony, CBS Bankers took part in several training sessions aimed at building confidence and up-skilling team leaders for the challenges and opportunities associated with the Bank's deeper engagement in the digital sphere. Topics included social media marketing strategy and tactics, personal online security and scam prevention techniques, customer-centric mindset enhancement, and updates on Bank products and services. The training activity was conducted by the CBS Training Academy and digital marketing and IT industry professionals.

During the ceremonial toast, CBS President James Christian T. Dee emphasized the importance of teamwork and harmony in achieving results. "We need to work in harmony and as a team to achieve results. Remember this as we strive to deliver. The commitment is to easy banking for our clients; to elevate our bank to be the best in our category and to become a bigger part of the success of the China Bank Group," he said.

CBS Chairman Ricardo R. Chua also acknowledged the commitments of the CBS ka-Sagwans, stating, "The Board of Directors promises to support and guide CBS to ensure our podium finish this 2024."

The event featured motivational speaker Rebecca Bustamante of AsiaCEOForum, with guest appearances by singer Ira Marasigan and The Dawn's lead singer Jett Pangan, who led the CBS ka-Sagwans in singing the rock anthem "Isang Bangka."

CHINA BANK SAVINGS ANNIVERSARY

CBS celebrated its 16th anniversary by achieving a major milestone—ranking as the second-largest thrift bank in the country. With the theme “Surging to Number One,” CBS is focused on driving further growth and establishing itself as the market leader. Inspired by the 2024’s Kick-off Conference slogan, SAG1 (Sustaining Achievable Goals as One), the Bank welcomed SAG1 exemplar, Olympian Joanie T. Delgado, the first Filipina rower to qualify in the Olympics, as keynote speaker. Delgado’s story of passion, perseverance, and unity mirrors CBS’ core values, motivating the CBS community to pursue excellence with a clear purpose and a positive spirit.

CBS President James Christian T. Dee reinforced the Bank’s commitment to its brand promise of “Easy Banking for You,” emphasizing how 16 years of steady growth have been driven by dedication to clients and teamwork. As CBS marks this milestone, Dee highlighted the Bank’s renewed determination to innovate and strengthen client relationships, pushing boldly toward the goal of becoming the number one thrift bank in the industry.

In 2024, CBS enhanced our Build & Rise Initiative, a campaign which focuses on financial inclusion, consumer empowerment, and promoting entrepreneurship. The Bank organized forums and workshops on financial wellness, financial planning, and related topics, reaching various sectors of society

Targeting underserved sectors, CBS projects aim to boost financial literacy and savings awareness within communities, support government programs for learners and teachers, promote SME development, and contribute to overall community growth.

FINANCIAL INCLUSION

Our Financial Wellness forums and Financial Literacy training seminars engaged 1,714 participants nationwide.

CBS conducted 14 Financial Wellness forums involving 734 CBS depositors, SME owners, and employees from various sectors, including engineering, telecommunications, energy management, health and medical services, hotel and restaurant, warehouse and storage, and print and broadcast media.

Aligned with the DepEd MATATAG Agenda, these transformative programs are designed to help teachers and learners become discerning consumers. By promoting ways to make smart decisions about their money, protect their assets, and safeguard themselves against scams, CBS is helping secure a brighter future for Filipinos.

Brigada Eskwela

Since 2016, CBS has been a proud supporter of the annual Department of Education (DepEd) Brigada Eskwela campaign, a nationwide initiative aimed at ensuring public schools are clean, safe, and learner-friendly, thereby enhancing the quality of education in the country.

In 2024, CBS took its support to new heights by distributing construction materials, housekeeping supplies, digital devices, office equipment, sanitation kits, and school and office supplies. Additionally, CBS employees enthusiastically volunteered their time and effort to assist in the refurbishment and rehabilitation of numerous campuses nationwide.

We also organized eight learning sessions for 860 public school faculty and DepEd non-teaching personnel as part of the CBS Financial Wellness Road Show, which our Bank relaunched in School Year 2024-2025. From July to August, CBS teams brought the message of savings and responsible use of credit to school divisions of Digos, Davao, and Gen. Santos cities in Mindanao; Lapu-Lapu, Mandaue, and Cebu cities in the Visayas; and Las Piñas in Metro Manila.

CBS also organized two CBS Financial WYFi (Wellness for Young Filipinos) forums in 2024. As part of our Kits of Kindness project, the Bank sponsored a CBS Financial WYFi forum for 100 senior high school students and 20 of their teachers at Sampaguita High School, Quezon City. Another session, as part of the Bank’s engagement with the GenSan Chamber of Commerce and Industry, was held at University of Santo Tomas – GenSan in Mindanao, with 30 students of the pioneer classes at the School of Business and Accountancy, their Class Adviser and the Dean of the School in attendance.

This is the Bank's largest and most extensive contribution to Brigada Eskwela, for which our efforts have been recognized by the Office of the Secretary of Education during the national DepEd Pagpupugay at Pasasalamat ceremony in Manila Hotel, and in regional awards ceremonies of the DepEd.

National Teachers Day

CBS proudly took on the role of major sponsor for National Teachers Day, an annual celebration organized by the national government to honor the invaluable contributions of educators. In 2024, this grand fete was held at the SMART Araneta Coliseum in Cubao, Quezon City, and saw a remarkable turnout of administrators, teachers, and other DepEd employees.

Our involvement in National Teachers Day underscores our commitment to supporting education and recognizing the pivotal role that teachers play in shaping the future of our nation. We are proud to stand with the Department of Education and all educators in celebrating their achievements and contributions to the Filipino nation.

PROMOTING ENTREPRENEURSHIP

Mindanao Business Conference

CBS co-sponsored the 33rd Mindanao Business Conference (MinBizCon), the annual trade and industries showcase and get-together of businesses and investors seeking growth in the region's industries, agro-business, mining, tourism, and property sectors. In addition to being a Trade Fair exhibitor, CBS executives were resource persons during the MinBizCon SME Finance panel.

Our Bank also participated in the MinBizCon Trade Fair, at which CBS finance and business development specialists were on tap for consultation, and information about SME-focused services and bank products was made available.

SME Advocacy

The Bank actively participates in key business events to enhance its market presence and foster strategic partnerships, especially with SMEs. Guided by the SAG1 principle of teamwork, CBS bankers cooperated across organizational lines and with sister companies in the Chinabank Group to advance this advocacy.

We launched the SME Kapihan speaker series in Cebu City on 22 February. The by-invitation Kapihan is designed to be a venue for SMEs to strengthen networks in their respective communities. This year's pilot SME Kapihan featured our Cebu-based SME account managers. Resource persons from Chinabank Insurance Brokers, Inc., Chinabank

Funds Management and Manulife Chinabank Life Assurance Corp. shared insights from decades of experience in the industry. The SME Kapihan was replicated from April to May in centers of entrepreneurial activity, including Legazpi City (Albay), Caloocan City (Metro Manila), Antipolo City (Rizal), and Silang in Cavite.

CBS was invited as a resource speaker at the SME Digitalization Seminar themed "From Traditional to Digital: The Pathway to Digital Success" in July. This event attracted 80 entrepreneurs and was sponsored by a USAID initiative through the Urban Connect Project, in collaboration with the local government of General Santos, the Department of Trade and Industry, and the local SME Development Council.

The Bank actively engaged with Paleng-QR PH Plus, a program by the Bangko Sentral ng Pilipinas aimed at developing the country's digital payments ecosystem by promoting QR code transactions in public markets and local transportation. The use of QR codes benefits both merchants and consumers, further strengthening the country's economy. This system allows for fund transfers by simply scanning QR codes using mobile phones, making payments faster, more secure, and more convenient.

CBS My Story: SME Kapihan is a video testimonial series which features real stories of SME clients, highlighting their entrepreneurial journeys and how CBS China Bank Savings supported them in overcoming challenges.

Empowering Local Craftsmanship Through Meaningful Financial Partnerships

Paciencia Flores Handicrafts, a proudly Filipino enterprise based in Marikina Metro Manila Philippines, is a shining example of how traditional craftsman's hip and entrepreneurial spirit can flourish with the right financial partner.

Known for their finely made, culturally rooted handwoven baskets and other products, Paciencia Flores Handicrafts is a growing name in the local creative industry, thanks to their commitment to quality, sustainability, and community empowerment. The seasonality of demand in their industry, however, made it difficult for the business to ramp up production. With CBS China Bank Savings, the business more than expanded, it is now gearing up for export.

A Partnership Baked with Trust — From Sweet Beginnings to a Flourishing Enterprise.

MerNel's Cakehouse is a humble home-based venture in Los Baños, Laguna started in 1997 that has grown into a beloved brand known for its signature chocolate cakes and warm Filipino hospitality. It is a sweet success story fueled by passion, perseverance, and the right financial partner.

Early success allowed the business to thrive, but stronger than expected demand forced the company into expansion even though their cash reserves had not been built up yet. That's where CBS China Bank Savings came in — offering not just banking products, but genuine support aligned with the needs of growing enterprises.

Rising with Every Loaf: Empowering a Local Legacy

What started as a small-town bakeshop serving hot pandesal at sunrise has grown into a full-service bakery and restaurant known throughout Dagupan City. For over a decade, Panaderia Antonio Bakery and Restaurant has been a beloved staple in its community — thanks to its delicious offerings and the entrepreneurial spirit behind it.

Behind the scenes, CBS China Bank Savings has been a quiet but steady partner. Through accessible financing and personalized banking solutions, CBS empowered Panaderia Antonio to modernize its kitchen and expand its operations and offerings — all while keeping the heart of the business intact.

“

I am greatly impressed with the new union officers and the management team. So much youth! Now that we are all on the same page in terms of the CBA, I hope you can spend some time on improving yourselves as well.

Learn as much as you can. China Bank Savings' success will ride on your professional and personal growth. I have high hopes for you all.

Collective Bargaining Agreement

A Testament to Partnership: CBS and Employees Union Conclude Collective Bargaining Agreement with Unprecedented Speed

In a remarkable display of collaboration and mutual respect, CBS China Bank Savings and the China Bank Savings Employees Union (CBSEU), the sole bargaining unit of the Bank's rank-and-file employees, finalized a new Collective Bargaining Agreement (CBA) in record time – setting a benchmark for constructive labor relations in the banking industry. We attribute the speed and completeness of our negotiations and the resulting agreement to the application by all parties of the SAG1 (Sagwan) principles, namely teamwork, accountability, and unity and self-improvement. Both parties entered the negotiation table with a common purpose: to ensure the continued well-being of the workforce while supporting the Bank's long-term growth and service excellence.

Putting People First

The new CBA delivers meaningful gains for CBS employees – tangible recognition of their dedication and contribution to the Bank's ongoing success. Key enhancements include:

- **Competitive Compensation and Benefits:** Adjustments that reflect industry standards and cost-of-living realities, ensuring employees are fairly rewarded.
- **Expanded Support for Work-Life Balance:** Improved leave entitlements and wellness initiatives designed to support holistic employee well-being.
- **Career Growth and Empowerment:** Strengthened learning and development programs, reinforcing CBS's commitment to continuous professional advancement.

A Win-Win for All

While the CBA brings clear value to employees, it also strengthens CBS as an institution. A highly-engaged, motivated workforce translates to better service, greater innovation, and a stronger connection with customers. More importantly, the peaceful and productive conclusion of negotiations ensures continuity, operational stability, and a reaffirmation of CBS's values-driven leadership.

Collaboration as a Cornerstone

The success of this agreement lies in the partnership itself. Transparent communication, mutual understanding, and shared responsibility turned what can often be a lengthy and complex process into a milestone of efficiency. It stands as a model for how labor and management can work together – not in opposition, but as true partners in progress.

As CBS continues to expand its reach and impact as a bank for every Filipino, this Collective Bargaining Agreement serves as a strong foundation – anchored in respect, fairness, and a shared vision for the future. It also reaffirms CBS's commitment to inclusive growth and responsible corporate governance, and reinforces the Bank's position as an employer of choice.

Expanding Physical Presence

2024 witnessed a surge in the expansion of the Bank's brick-and-mortar network, resulting in 170 branches and 107 branch-lites and APD loan centers. Consistent with the Bank's strategy to capture a greater share of the market, we added two branches and 12 more branch-lite units, and relocated five branches to high-growth areas. Additionally, CBS increased the number of its ATMs to 221 by the end of 2024.

CBS China Bank Savings Celebrates Milestone: Going Beyond One Million Customers

CBS China Bank Savings marked a corporate milestone on 23 November 2024 as the thrift bank's CBS GO mobile app onboarding platform enrolled its 100,000th banking customer. The feat, which helped CBS reach over One Million Customers in 2024, was achieved through the network of 34 CBS APD lending centers and 73 branch lites, which service depositors and borrowers in smaller towns and cities outside the core urban centers.

Kapit-Bisig PEACE Award

The Partner in Empowerment, Advocacy and Commitment to Excellence (PEACE) Award is given every five years by the Metrobank Foundation, Inc. to exceptional institutions that share a commitment and "collaborated impactfully" toward enriching the lives of the most vulnerable and underserved sectors in Philippine society. CBS China Bank Savings was presented the Kapit Bisig PEACE trophy in February 2024. The trophy designed by award-winning architect Jonathan V. Dangué represents collective power in nation building.

BSP taps CBS financial expertise to strengthen National Banking System

As a testament to our financial expertise, CBS was among seven banks that took part in a confidential exercise of the Bangko Sentral ng Pilipinas (BSP), which resulted in the removal of the Philippines from the "grey list" by the Financial Action Task Force to counter global money laundering, terrorist- and proliferation-financing. CBS was honored as the only thrift bank to join in the exercise. The Bank was more than happy to take part and is deeply committed to preserving the integrity of the national banking system.

CBS CHINA BANK SAVINGS SUSTAINABILITY REPORT

CBS China Bank Savings has made significant strides toward becoming the leader in sustainability in the Philippine thrift banking space. This commitment is rooted in the Bank's desire to espouse financial readiness in the communities it serves amid increasingly extreme circumstances caused by climate change. Through environmental and social (E&S) risk assessments of the Bank's clientele and loan portfolio, the E&S risk assessment of the Bank's own office and branch network, the increasingly more accurate measurement of the carbon footprint of the Bank's operations, and financial wellness efforts to ensure resilience amidst climate challenges, CBS has taken steps to ensure the Bank goes above and beyond sustainability compliance.

JOURNEY TOWARDS SUSTAINABILITY

In 2024 The CBS Board and Management approved the CBS Environmental and Social Risk Management System (ESRMS) establishing a sustainability governance structure within the CBS organization rooted within the Board Risk Oversight Committee (ROC) and the Credit, Collections, and Asset Recovery Committee (CRECOM). An Environmental & Social (E&S) Due Diligence Tool was also created and approved.

The ESRMS and E&S Due Diligence tool conforms with BSP & SEC Sustainability regulations and follows industry best practices. CBS engaged Deloitte Philippines consultancy as third-party partner for this program. Deloitte Philippines was chosen for this role because of the company's technical expertise, its extensive involvement in the formulation of BSP Sustainability policies, and its exposure to sustainability regulations and best practices worldwide.

The E&S Due Diligence tool allowed the CBS Sustainability Department to perform the first ever E&S risk analysis of the CBS loan portfolio, which yielded the following results:

Credit Impact

The results show a significant portion of CBS loan portfolio is classified as low risk. This suggests that most accounts the Bank is financing are located in areas with minimal environmental threats. The assessment also shows that CBS maintains a strong loan portfolio which is predominantly medium-to-low risk.

Operational Impact

The CBS Risk Management Department conducted a comprehensive assessment in 2024 to evaluate the potential exposure of offices, branches, and lending centers to various natural hazards. Utilizing HazardHunterPH, analysis was conducted on threats such as earthquakes, volcanic eruptions, flooding, and tsunamis to better understand and mitigate the environmental risks associated with operations.

Risk Appetite and Controls

To ensure that the E&S risks remain within the Bank's Risk Appetite, the ESRM Framework assigns quantitative scores to the identified E&S Risks of its borrowers/investments. This gives the Bank an identification/rating system for the severity of the potential negative impacts of the E&S risks to the Borrower/Investment and thus, gives the Bank a better gauge on which appropriate risk controls would be applied for the risk to be managed.

CBS also adopted the Global Reporting Initiative (GRI) Framework of its Parent Bank. GRI is an appropriate, sustainable and comprehensive reporting model, which embraces the economic, environmental, social and governance (EESG) concerns of CBS. Sustainability reporting allows the Bank to identify, better understand, and effectively manage and assess sustainability risks and opportunities for the future. At the same time CBS is preparing for any possible shift away from GRI standards alongside its Parent Bank, cognizant of the ever-changing global standards regarding sustainability reporting.

Utilizing these frameworks CBS was able to closely monitor and measure its carbon footprint data and conduct an internal materiality study to strengthen the Bank's compliance with regulatory requirements, improve risk management strategies, align business operations with stakeholder expectations, and enhance corporate reputation and customer trust.

Sustainability Strategy

The Bank's Sustainability Strategy is to support its vision and mission through responsible Value Creation activities that contribute to the environment and society, while being resilient. In doing so, the Bank operates under conditions that are viable to the company and the community. The Bank will ensure that its contributions are equitable to the environment and society, and that risks are manageable. It shall be governed by its Corporate Governance and Risk Management framework.

A Million Steps

Aside from its sustainability policies, the Bank also maintains internal targets to provide a holistic approach to ESG. In late 2023 the Bank endeavored to improve the physical sustainability of its workforce through the 'A Million Steps Podium Finish' initiative. This physical fitness program allowed a cohort of CBS Bankers to train for several weeks before participating in the 2023 Rock 'n' Roll Manila Marathon wherein the target was met in the background of Roxas Boulevard.

A Million Trees

In the same year the 1 Million Trees initiative was born, institutionalized with an internal CBS policy informing CBS Bankers nationwide how to procure and plant trees in their respective vicinities. In 2024, CBS, together with parent Chinabank, engaged with Manila Water Company to plant more trees at the La Mesa Ecopark, the last bastion of green space in Metro Manila, and the main provider of water for the city. 150 native tree saplings were planted by 70 volunteers. This brings the total number of trees planted by CBS in the La Mesa Watershed area to 900 since July 2023. The 1 million mark may be far away, but the Bank intends to meet it slowly and surely to ensure the trees planted survive. Future reforestation trips are being planned nationwide.

CBS Joins Coastal Clean

CBS also participated in the International Coastal Cleanup (ICC) on September 21, 2024, at Central Park, SM By the Bay, Mall of Asia. In addition to the cleanup at SM By the Bay, the SM Group also organized simultaneous coastal cleanups at 14 other SM Supermalls across the country. These efforts were carried out in partnership with the Department of Environment and Natural Resources (DENR), Local Government

Green Mindset

As part of the engagement with Deloitte Philippines, training programs were conducted to ensure the CBS ESRMS and Due Diligence Tools are understood and appropriately used by the CBS workforce. In keeping with SAG1 principles, CBS successfully ‘upskilled’ 214 CBS Bankers in matters related to sustainability. Deloitte Philippines together with CBS Sustainability Department and the CBS Training Academy implemented the program which involved CBS Bankers from the Board level down to the frontline personnel.

Units, and the Ocean Conservancy. This year’s SM-led International Coastal Cleanup (ICC) gathered over 23,300 volunteers and collected 135,000 kilograms of waste—marking the company’s largest ICC initiative since it began participating in 2015.

The SMIC Group is aligned with the 17 United Nations Sustainability Development Goals. Here are the CBS contributions to the SDGs in 2024.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of China Bank Savings, Inc. (the Bank), a subsidiary of China Banking Corporation, which comprise the statements of financial position as at December 31, 2024 and 2023, and the statements of income, statements of comprehensive income, statements of changes in equity and statements of cash flows for each of the three years in the period ended December 31, 2024, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Bank as at December 31, 2024 and 2023, and its financial performance and its cash flows for each of the three years in the period ended December 31, 2024 in accordance with Philippine Financial Reporting Standards (PFRSs) Accounting Standards.

Basis for Opinion

We conducted our audits in accordance with Philippine Standards on Auditing (PSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Bank in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to our audit of the financial statements in the Philippines, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the SEC Form 20-IS (Definitive Information Statement), SEC Form 17-A and Annual Report for the year ended December 31, 2024, but does not include the financial statements and our auditor's report thereon. The SEC Form 20-IS (Definitive Information Statement), SEC Form 17-A and Annual Report for the year ended December 31, 2024 are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

A member firm of Ernst & Young Global Limited

In connection with our audits of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audits, or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the Supplementary Information Required Under Section 174 of Manual of Regulations for Banks and Revenue Regulations No. 15-2010

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information required under Section 174 of Manual of Regulations for Banks in Note 29 and Revenue Regulations 15-2010 in Note 30 to the financial statements is presented for purposes of filing with the BSP and Bureau of Internal Revenue, respectively, and is not a required part of the basic financial statements. Such information is the responsibility of the management of China Bank Savings, Inc. The information has been subjected to the auditing procedures applied in our audit of the basic financial statements. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.
